About The Island Gallery

Established in 2002, **The Island Gallery** features internationally recognized artists whose work takes traditional art forms in exciting new directions: studio furniture and sculpture; museum quality textile art and wearables; wood fired ceramics from the finest potters in America; paintings and prints; and unique jewelry creations. Monthly exhibitions include live musical concerts, featuring such genres as jazz, rock, folk, chamber music and performance art. This, along with its reputation for excellence, makes The Island Gallery a destination spot on beautiful Bainbridge Island, a short ferry ride from Seattle, and steps from the new Bainbridge Island Museum of Art. In 2017 we celebrated 15 years of collaboration with unique and talented artists from near and far.
